Leading Light Leadership Programme - Overview

A six-session leadership development programme designed to build confident, effective and sustainable school leaders.

Based on the book Leading Light by Heather Phillips.

"In this book, Heather provides practical guidance, clear direction and a warm reassurance to school leaders at all levels. Using her real-world experience of developing effective individuals and teams, this book has been written to cover the guiding principles of effective leadership. I know it will be my favourite guide already - a reflective, insightful coaching session in paper form."

Misbah Shaheen, Primary Curriculum Leader

"Heather offers much more than a memoir or a manual. With candour, a sharp sense of humour, and a huge dose of humility, she takes us on a deeply insightful journey through the highs and lows of school leadership. That is what makes this book a unique and special contribution to educational leadership literature."

Viv Grant, Director of Integrity Coaching
